Sir:

This paper is in response to the Final Official Action mailed on August 9, 2005. No fee is due. However, please charge our Deposit Account No. 18-0002 if any fees are needed to enter this paper, and please advise us accordingly. It is noted that no petition is required because of the authorization to charge, but please consider this paper a petition for extension of time if needed.

The requested amendment should put the case into condition for allowance. The subject matter of allowable dependent claim 3 is added to claim 1, which should make claim 1 allowable. Claim 3 and rejected claims 15 and 25-33 are canceled without prejudice to reentry.

Claims 14 and 16 were stated to contain allowable subject matter but were objected to for dependence on a rejected base claim. However, claims 14 and 16 are independent. The Applicants assume that the Examiner intended to state that these claims are allowable as they stand.

Thus, the application is believed to be in condition for allowance following entry of this amendment.
